JOE FIXIT

An explosion of experimental gamma energy turned scientist **BRUCE BANNER** into the super hero known as the **HULK**, one of the strongest beings in the universe today.

But there was a period of time when the green-skinned brawler moved to Las Vegas and took on a new identity--that of a gray-skinned mob enforcer known as...

JOE FIXIT

KINGPIN has come to Las Vegas to add the city to his criminal empire. Standing in his way is Joe Fixit's boss, mobster **MICHAEL BERENGETTI**. But after Fixit handily humiliated Kingpin once, the New York crime lord deployed a rare toxin that gave him absolute control over Fixit. His first orders? Take care of Berengetti...and that pesky visiting **SPIDER-MAN**!
